

EU Type Examination Certificate

Date: 2022/06/08

n. **77522303/OE**

Validity: 2027/06/07

The hereunder described items of Personal Protective Equipment have overcome positively the "EU type examination" (Module B), proving their conformity to the safety and health requirements of the Regulation (EU) 2016/425 (Annex II)

Manufacturer: **JIANGMEN PENGCHENG HELMETS CO. LTD.**
(Responsible of the PPE) No. 01-7, Dongsheng Road, GongHe Town, Heshan City, GUANGDONG Province - CHINA

Type of PPE: **motorcyclists' protective footwear**

Category of PPE: **II : "medium" risks.**
This certificate is based on reference standards listed below: its validity is no longer ensured should new version of the standards come into force.

Model **"GOBY MAN BOOTS WP"**
col. BLACK/FLUORESCENT YELLOW

Description:

fastening system: by means of a lateral internal zipper partially covered by a flap with a hook and loop closure;
processing: Ago;
outsole: black rubber (302473);
upper: black nubuck leather with PU coating (108001) matched with white jersey (110008);
internal/external bootleg: black nubuck leather with PU coating (108001);
front and rear joint: black Cordura fabric (507002) matched with dark or light grey "EVA" foam material with thickness declared 6mm (511009) and black/white knit fabric matched with grey foam material (410001);
shin area: black Cordura nylon fabric matched internally with black leather (507001) marked with "LS2" brand;
vamp and rear/quarter lining: black and white knit fabric coupled with grey foam, white membrane and white knitting (407003);
bootleg and shinbone lining: black three-dimensional knitting coupled with anthracite grey foam (405004);
binding, bellows and collar lining: black fur knitted with black polymeric coating (202011);
insole: black polymeric material declared PP (606008) covered by vamp and quarter lining in contact with the user;
removable insock (not perforated): anthracite "EVA" foam material declared thickness 4mm coupled with black fabric (519566);
gearshift lever protective insert: declared black TPU (603001).

The boot has stiff inserts in polymeric material inserted in the upper, as follows:

- shin insert/padding: white plastic Shin matched with white foam material;
- heel insert: white, declared thickness 2mm (546003);
- internal and external ankle insert/padding: yellow foam material, declared thickness 6-7mm (522005) and white foam material, declared thickness 6mm (511007).

Technical Standard: **EN 13634:2017** Protective footwear for motorcycle riders – Requirements and test methods.

Intended use: use by motorcyclists for normal road activities (touring)

Size range: MEN's sizes from 39 to 47

EU Type Examination Certificate

Date: 2022/06/08

n. **775222303/OE**

Validity: 2027/06/07

Technical File: **DC-14431**

Test report: **RCT n° 4111705.01/E**

Functions and performance levels: **Requirements according to EN 13634:2017:** all mandatory ones, among which:
Height of the upper: level **2**
Impact abrasion resistance of the upper: level **2**
Impact cut resistance of the upper: level **2**
Transverse rigidity of the whole footwear: level **2**

Optional requirement according to EN 13634:2017:

WR = water resistance of the whole footwear.

IPA = ankle impact protection.

NOTE: The Technical Standard provides 2 performance levels with level 2 meaning higher performances.

Marking: on a stitched label and displaying the following information:
- **CE Marking**;
- registered trademark of the Manufacturer;
- item designation and code;
- pictogram to indicate the intended use (motorcycling), number and year of the reference Standard, performance levels achieved, optional requirements (IPA, WR);
- size of the footwear (EUR, US, UK);
- date of production (DOP);
- additional information: "Made in"; material composition.

NOTE: the Technical File contains a more detailed description of the PPE (material, method of assembly, photographs or drawings), performance data, safety functions and level of protection, elements of conformity to the basic and supplementary requirements.
The Technical File is integral part of the present Certification, which has to be kept available by the applicant to be forwarded - upon request - to the entitled person (supervising body, Controlling Officer).
