Description:

## **EU Type Examination Certificate**

Date: 2022/06/28 n. 775222601/OE Validity: 2027/06/27

The hereunder described items of Personal Protective Equipment have overcome positively the "EU type examination" (Module B), proving their conformity to the safety and health requirements of the Regulation (EU) 2016/425 (Annex II)

Manufacturer: (Responsible of the PPE)	JIANGMEN PENGCHENG HELMETS CO. LTD.  No. 01-7, Dongsheng Road, GongHe Town, Heshan City, GUANGDONG Province - CHINA		
Type of PPE:	motorcyclists' protective footwear		
Category of PPE:	II: "medium" risks.  This certificate is based on reference standards listed below: its validity is no longer ensured should new version of the standards come into force.		
Model	"URANO MAN BOOTS WP"		

MBW002-1 col. BLACK

fastening system: by means of a metallic zipper closure and a flap with hook and loop closure;

processing: ago;

outsole: black rubber (302376);

upper: black PU coated leather (104002) partially matched with white fabric (110008) and silver reflective material (541002) stitched onto black microfiber (205018) matched with grey foam material (511009) and black and white perforated knitting (410001); rear collar: black fabric (507014) matched with foam material (511009) and perforated knitting (410001);

front and rear joint: black microfiber (205018) matched with grey foam material (511009) and black and white perforated knitting (410001);

collar edging and bellow: black coated material (202011);

vamp and rear lining: grey and black herringbone knit fabric, anthracite grey foam, white membrane, white knitting as reinforcement (407003) coupled together;

bootleg and shinbone lining: black fabric coupled with grey foam (404025);

tongue/bellows: black coated material (202011);

insole: rigid material (606008);

removable insock (not perforated): anthracite grey foam material coupled with beige fabric and one layer of anthracite grey foam material matched with beige knitting with black graphics (519566);

internal and external ankle insert/padding: yellow foam material (522005) matched with white foam material (511007).

The boot has stiff inserts in polymeric material inserted in the upper, as follows:

shin insert/padding: black, matched with foam material.

Technical Standard:	EN 13634:2017	Protective footwear for motorcycle riders – Requirements and test methods.
Intended use:	use by motorcyclists for normal road activities (touring)	
Size range:	MEN'S sizes: from 39 to 48	
Technical File:	DC-15211	
Test report:	RCT n° 4111123/E

performance levels:

## **EU Type Examination Certificate**

Date: 2022/06/28 n. **775222601/OE** Validity: 2027/06/27

Functions and Requirements according to EN 13634:2017: all mandatory ones, among which:

Height of upper level 2
Impact abrasion resistance of the upper level 2
Impact cut resistance of the upper level 2

Optional requirement acco<mark>rding to EN 13634:2017</mark>:

**WR** = water resistance of the whole footwear.

Transverse rigidity of the whole footwear

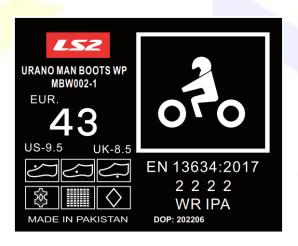

IPA = ankle impact protection.

NOTE: The Technical Standard provides 2 performance levels with level 2 meaning higher performances.

Marking:

on a stitched label and displaying the following information:

- CE Marking;
- trademark of the Manufacturer;
- item designation and code;
- pictogram to indicate the intended use (motorcycling), number and yea<mark>r of the reference Standard, performance levels achieved, optional requirements (IPA, WR);</mark>
- size of the footwear (EUR, US, UK);
- date of production (DOP);
- additional information: "Made in"; material composition.

level 2

NOTE: the Technical File contains a more detailed description of the PPE (material, method of assembly, photographs or drawings), performance data, safety functions and level of protection, elements of conformity to the basic and supplementary requirements.

The Technical File is integral part of the present Certification, which has to be kept available by the applicant to be forwarded - upon request - to the entitled person (supervising body, Controlling Officer).
