See pictures on page 2.

EU Type Examination Certificate

Date: 2022/05/24

n. **775222102/OE**

Validity: 2027/05/23

Functions and
performance levels:

Requirements according to EN 13634:2017: all mandatory ones, among which:

Height of upper	level 1
Impact abrasion resistance of the upper	level 2
Impact cut resistance of the upper	level 2
Transverse rigidity of the whole footwear	level 2

Optional requirement according to EN 13634:2017:

IPA = ankle impact protection.

NOTE: The Technical Standard provides 2 performance levels with level 2 meaning higher performances.

Marking:

on a stitched label and displaying the following information:

- **CE Marking;**
- trademark of the Manufacturer;
- item designation and code;
- pictogram to indicate the intended use (motorcycling), number and year of the reference Standard, performance levels achieved, optional requirement (IPA);
- size of the footwear (EUR, US, UK);
- date of production (DOP);
- additional information: "Made in"; material composition.

BLACK/H-V YELLOW

BLACK/PURPLE

NOTE: the Technical File contains a more detailed description of the PPE (material, method of assembly, photographs or drawings), performance data, safety functions and level of protection, elements of conformity to the basic and supplementary requirements.
The Technical File is integral part of the present Certification, which has to be kept available by the applicant to be forwarded - upon request - to the entitled person (supervising body, Controlling Officer).
